25X1

1949 ball bearing requirements for direct and indirect orders of the German Economic Commission, Main Administration Engineering Construction and Electrical Engineering.

25X1

 Comment :

a. The Main Administration Engineering Construction and Electrical Engineering and eight additional main administrations are now subordinate to the Ministry of Industries. When the Soviets set up the German Democratic Republic (DDR) they established 14 ministries. The Ministry of Industries is in fifth place. The German Economic Commission was then dissolved.

b. Information on the Soviet Zone ball bearing and roller bearing supply was given in previous reports. *
